

# 2023 Evans Center Community Health & Wellness Resource Fairs Sponsorship Package

## About the Resource Fairs:

Evans Center hosts a monthly Community Health Fair with a Farmers Market component, which provides the local community with access to fresh, nutritious food and health services, making it easier for people to stay healthy. Local small business and corporations are also invited to set up vendors booths, which also provides greater access to services and products to community members with limited transportation.

Sponsorship for this event is a wonderful opportunity for attendees to learn more about your organization, connect with you and the work you are doing in our community. At the Resource Fair, attendees will engage with Community Partners to learn about the services or resources you offer, and how your organization can improve healthcare for our community.

Companies or organizations wishing to sponsor an event will work closely with Evans center staff to promote the resource fair and plan details of event. There must be a minimum of 60 days notice of intent to sponsor.

We are very excited about this year’s Resource Fairs and look forward to having your organization participate. Please direct questions to [events@evanscenter.org](mailto:events@evanscenter.org) or call 321-216-6909. We hope you will consider attending and take advantage of this opportunity to share information about your organization, the resources you offer, and your partnership with Evans Center.
